

# Polymer Science and Composite Materials Conference

**February 26-28, 2020 | Lisbon, Portugal**

Yuktan technologies Pvt Ltd strives hard to organize quality conferences and to lay a platform for all the experts, scientists, Academicians, Lab Experts, Industry people, and Young Researchers to meet at one place so as to share knowledge, Ideas, opportunities, and opinions.

Apart from these, it will design an opportunity to make new international collaborations. All the delegates and industry clients will have an opportunity to meet and make new contacts with people and associations which will enhance their product standard.

***Support the organization and grab the opportunities to construct international collaborations***
